TEXAS-HOME

Will Be The Sensational Stock Within The Next Week or Ten Days

Because the STANDARD OIL COMPANY has a well now on the saud adjoining this company's holdings—they have set their casing—they will let the cement dry for a week to ten days—and then they will drill in the well.

This STANDARD OIL COMPANY'S well should be a gusher-it will send TEXAS HOMER stock, we believe, to reveral dollars per share.

You can buy now at \$1.00, its par value. Fortunes are going to be made in the Homer fieldhey have already been made—but history will report itself and Homer oil millionaires will be as plentiful as Texas oil millionaires.

You have all seen in the newspaper accounts where the Rowe interests have just said out for \$9,000,000. Two years ago Rowe was an oil well driller—today he is a multi-millionnire.

TEXAS-HOMER OIL COMPANY is incorporated for \$400,000—sufficient to properly develop its properly waste.

Only a finited amount of stock can be purchased at this time.

BUY NOW-and you should reap your profit) if you want to sell inside of ten days. You have every advantage of location—note the ten choice acres in the Homer field—also note

the 20 choice acres in the Bull Bayou field—the field which, we understand, known no dry bules. We believe TEXAS HOMER will show the first sensational rise of any of the stocks affered to
